Pacific Heights Surgery Center

A premier state of the art facility for your outpatient care.

- Summit fees are competitive with other facilities in the area.
- Summit accepts all PPO insurances.
 - * If your insurance sends you a letter BEFORE surgery stating the facility is not contracted, they will still pay for the surgery. All cases are pre-authorized when instructed by your insurance company.
- Summit collects a pre-payment on the date of surgery. If an amount is due for your coverage, it will go towards your balance due.
- Summit must receive the correct billing information from each patient to have claims paid in a timely manner.
- Summit will send you a Financial Letter or give you a Financial Call before your surgery to go over your insurance benefits.
- Summit will send you a statement after your surgery has been paid by the insurance company with your correct balance due.
 - * Your **Explanation of Benefits (EOB)** sent by your insurance company is **NOT A BILL** and in most cases not the amount you will owe
- Summit bills **separately** for the surgeon, assistant surgeon, anesthesiologist, pathologist, etc.
- Summit looks forward to serving you!
